

NO FOIE GRAS!

fgfreereno.com

*Dedicated To Washoe County's Continuing Excellence
As a World-Leader in the Treatment of Animals*

With its world-renowned "no-kill" policy for which it has received major national funding, and its ban on carriage-horse rides, it only stands to reason that Washoe County extends throughout the west the ban on serving Foie Gras, a "delicacy" born of immeasurable cruelty.

Dear Washoe County Board And/Or City Council Members within Washoe County,

We support a change in local laws making it unlawful for any person to produce or offer goose, duck--or any other fowl--in the foie gras style where cruelty to animals is employed to fatten their livers.
